

Steamboat®

28 March–2 April, 2021

Steamboat has offered to run another race week for NAASF at the end of March and beginning of April. This will save the NAASF season giving us three full race weeks. Steamboat had the 2nd highest February snowfall in the past 20 years, so snow “should” be good.

Steamboat is in a more relaxed COVID condition than they were in this past January. They currently allow 50% capacity for indoor dining and drinking. With the typical warm spring afternoons, Après Ski at Timber and Torch will be a lot of fun.

REDUCED RATES

It's Spring Skiing and Steamboat really wants our business.

- Steamboat has also reduced the registration fee AGAIN. **Registration will only be \$55 for this week.**
- **Lift tickets are reduced to only \$77/day.**
- **The Steamboat Grand** has also reduced their rates as low as **\$120/night** for a Palor Room (that's a great deal)
- **Resort Group** Is offering 10% off the already 20% reduced rates (**30% discount**) For details see the lodging section of this email.
- **Powder Pursuits** and **Ski and Bike Kare** have HUGE discounts throughout their stores (**it's the end of the season so EVERYTHING is on sale**)

DISCOUNTED REGISTRATION and LIFT TICKET PURCHASE

Just like in January, EVERYONE needs to register. Registration is a THREE step process, so PLEASE follow these simple steps. We ask EVERYONE (yes this includes your guests) help support Steamboat and NAASF and pay the \$55 registration fee. We get a list from Steamboat of who has/hasn't paid registration. We know who is and isn't there, so PLEASE don't put us in the awkward position of having to ask you to pay. if you have any questions or problems registering, CALL JIM ASAP 817-946-5736

DISCOUNTED LODGING

NAASF have been offered great rates from The Grand (Steamboat's Premier Lodging) and the "Resort Group".
